# Urinal Screen

**Its unique design can be installed on either side, ensuring correct placement every time. It has a more open design and increased spike height, eliminating 99% of urine splash, which saves custodial cleaning time.**

*The Diamond 3D is flexible for a proper fit to any urinal contour. The translucent design allows total viewing of the drain to ensure it remains free flowing as it collects debris before the drain is clogged. The Diamond 3D is also safe for use in waterless urinals. The fragrance will last 30 days.*
