

# Pyro Shield Flying Insect Control

## A complete and innovative solution to flying insect control

- Pyro Shield creates an environment that quickly knocks down, eliminates and repels flying insects over approximately 170m<sup>3</sup>
- Odourless & safe to use
- Super knock-down, high killing efficiency formula
- Effective against all types of flies, mosquitoes & flying insects (Many customers also get results with ants)
- Continuous 24hr pre-programmed coverage
- Sophisticated electronically controlled & programmable dispensing system with LCD screen for client convenience
- "Micro Molecules" float significantly longer and disperse better resulting in a more effective result.
- AsureQuality NZ approved for food/beverage/dairy and factories. Cat A food areas non-contact and any food contact surface residues removed
